

The Shopping Song

Take a look all around
Here are some shops that I've found
There are different shops in every town
And you can buy everything there

There are little shops and bigger shops
And supermarkets selling all you need
Food to eat and clothes to wear
Or books and papers, magazines to read

Say what you need to buy
It may be on a shelf up high
Grown-ups meet and chat and babies cry
And you can buy everything there

There's a baker's shop with bread and cakes
A shoe shop with some fashion for your feet
The shop with all the games and toys
And next door there's a shop that's full of sweets

Take a look all around
Here are some shops that I've found
There are different shops in every town
And you can buy everything there
